

FAIR INTERMEDIATE INVESTMENT PVT. LTD.

RISK MANAGEMENT POLICY

BACKGROUND:

Fair Intermediate Investment/Products Pvt. Ltd. a Trading Member of NSE, BSE, MCX-SX/MCX, NCDEX & NSEL. As per the requirement of Exchange & SEBI /FMC Company has designed a “**Risk Management Policy**” for extending trading facility to its clients and in the respective segments of exchanges.

RMS works on the following concepts:

1. **Cash:** The clear balance available in the customer's ledger account in our books.
2. **Margin:** The underlying stake provided by the customer in the form of cash, FDR and/or stock to mitigate market (price) or settlement (auction) risk
3. **Exposure:** The aggregate of the customer's obligations arising out of buy + sell trades awaiting settlement in the cash segment and profit/ loss amounts that are yet to be settled on the closed positions.
4. **Exposure multiple:** The number of times that exposure is allowed on the underlying margin sales on the cash segment would have to be made either on the availability of cash margin or on the availability of the stocks (which are to be sold) in our margin account, by executing a transfer before the sale order is initiated.
5. **Stock qualifying for margin in cash segment transactions:** Securities in the approved list of Stock Exchange as per SEBI guidelines.
6. **Total Deposit:** The aggregate of client deposit available with us in the form of cash, Shares (After Applicable Hair Cut) and FDR.

POLICIES & PROCEDURES UNDER RMS

1. **Policy for Penny Stock:** The stocks, which are appearing in the list of illiquid securities issued by the Exchanges quarterly. These stocks are generally considered to be highly speculative and high risk because of their lack of liquidity, large bi-ask spreads, small capitalization and limited following and disclosure. Depend on the market condition and RMS Policy of the company RMS reserve the right to refuse to provide the limit in Penny stocks and losses if any on account of such refusal shall be borne by client only.

Additional Due Diligence: The aim of the RMS is to ensure that only a genuine order is placed into the market. The dealer shall be kept updated with the list of Illiquid Shares that is made available by exchange. The dealer shall inform the clients that the shares are *flagged Illiquid* by the exchange.

a) In case of buying of Illiquid securities the client is allowed to buy the securities only if ;

- If he have amount in his account equal to or more than the value of the securities ; or
- He wants to buy the Illiquid securities on behalf of other securities on his pool, the value of such other securities in his pool after applying 20% Haircut should be equal or more than the value of Illiquid securities

Provided such other securities in his pool should not be the securities defined as Trade to Trade Securities.

b) In case of sell of securities we allowed trade only after applying 100% Haircut on the value of such Illiquid securities.

2. **Setting up of client's exposure limits:** The stock broker may from time to time impose and vary limits on the orders that the client can place through the stock broker's trading system (including exposure limits, turnover limits, limits as to the number, value and/or kind of securities in respect of which orders can be placed etc.). The client is aware and agrees that the stock broker may need to vary or reduce the limits or impose new limits urgently on the basis of the stock broker's risk perception and other factors considered relevant by the stock broker including but not limited to limits on account of exchange/SEBI directions/limits (such as broker level/market level limits in security

specific/volume specific exposures etc.), and the stock broker may be unable to inform the client of such variation reduction or imposition in advance.

The client agrees that the stock broker shall not be responsible for such variation, reduction or imposition or the client's inability or route any order through the stock broker's trading system on account of any such variation, reduction or imposition of limits. The Client further agrees that the stock broker may at any time, at its sole discretion and without prior notice, prohibit or restrict the client's ability to place orders or trade in securities through the stock broker, or it may subject any order place by the client to review before its entry into the trading systems any my refuse to execute/allow execution of orders due to but not limited to the reason of lack of margin/securities or the order being outside the limits set by stock broker/exchange/SEBI and any other reasons which the stock broker may deem appropriate in the circumstances. The client agrees that the losses, if any on account of such refusal or due to delay caused by such review, shall be borne exclusively by the client alone.

We have margin based RMS system, Total deposits of the clients are uploaded in the system and client may take exposure on the basis of margin applicable for respective security as per VAR based margining system of the stock exchange and/or margin defined by RMS based on their risk perception. Client may take benefit of "credit for sale" i.e. benefit of share held as margin by selling the same by selection Delivery option through order entry window on the trading platform, the value of share sold will be added with the value of deposit and on the basis of that client may take fresh exposure.

3. **Applicable Brokerage Rate:** Exclusive of Stamp duty, Service tax, STT (Securities Transaction Tax) and any other statutory levies Brokerage will be charged within the limits prescribed by SEBI/Exchange. It is hereby further, clarified that brokerage on option contract shall be charged on the premium amount at which the option contract was bought or sold, not on the strike price of the option contract. Subject to revision at our sole discretion and as informed by a circular sent by ordinary post/courier services/email.

It would be the duty of client to note the said charges regularly and periodically and shall not raise any dispute or claim in respect to said charges at any later stage. Further it is clarified that the above mentioned charges could vary from client to client at the sole discretion of SIL and No client would have any right to compare or claim charges charged from other client by SIL

4. **Imposition of penalty / delayed payment charges:** Clients will be liable to pay late pay in/delayed payment charges for not making payment of their pay in

/margin obligation on time as per the exchange requirement/schedule. Similarly the stock broker will also be liable to pay delayed payment charges to the client for not making payment of their obligation on time, as per the exchange requirement/schedule., except in the cases covered by the "Running Account Authorization" given by the client to the stock broker.

The Client agrees that the stock broker may impose fines / penalties for any orders / trades / deals / actions of the client which are contrary to this agreement / rules / regulations / bye laws of the exchange or any other law for the time being in force, at such rates and in such form as it may deem fit. Further where the stock broker has to pay any fine or bear any punishment from any authority in connection with / as a consequence of /in relation to any of the orders / trades / deals actions of the client, the same shall be borne by the client.

5. The right to sell client's securities or close client's positions, without giving notice to the client, on account of non payment of client's due: Without prejudice to the stock broker's other rights (Including the right to refer the matter to arbitration), the stock broker shall be entitled to liquidate /close out all or any of the clients position without giving notice to the client for non payment of margins or other amounts including the pay in obligation, outstanding debts etc and adjust the proceeds of such liquidation/close out, if any, against the clients liabilities / obligation.

The client shall ensure timely availability of funds/securities in form and manner at designated time and in designated bank and depository account(s), for meeting his/her/its pay in obligation of funds and securities. Any and all losses and financial charges on account of such liquidations/closing out shall be charged to & borne by the client. In case of securities lying in margin account/client beneficiary account and having corporate actions like Bonus, Stock split, Right issue etc, for margin or other purpose the benefit of shares due to be received under Bonus, Stock split, Right issue etc. will be given when the shares are actually received in the stock broker designated demat account.

In case the payment of the margin/securities is made by the client through a bank instrument, the stock broker shall be at liberty to give the benefit/credit for the same only on the realization of the funds from the said bank instruments etc, at the absolute discretion of the stock broker. Where the margin/security is made available by way of securities or any other property, stock broker is empowered to decline its acceptance as margin/security &/or to accept it at such reduced value as the stock broker may deem fit by applying haircuts or by

valuing it by marking it to market or by any other method as the stock broker may deem fit in its absolute discretion.

The stock broker has the right but not the obligation, to cancel all pending orders and to sell/close/liquidate all open positions/securities/shares at the pre-defined square off time or when Mark to Market (M-T-M) percentage reaches or crosses stipulated margin percentage, whichever is earlier, The stock broker will have sole discretion to decide referred stipulated margin percentage depending upon the market condition. In the event of such square off, the client agrees to bear all the losses based on actual executed prices, the client shall also be solely liable for all and any penalties and charges levied by the exchange(s).

6. Shortages in obligations arising out of internal netting of traders:

Stock broker shall not be obliged to deliver and securities or pay any money to the client unless and until the same has been received by the stock broker from the exchange, the clearing corporation/clearing house or other company or entity liable to make the payment and the client has fulfilled his/her/its obligations first.

The policy any procedure for settlement of shortage in obligations arising out of internal netting of the traders is as under:

- The Short delivering client is debited by an amount equivalent to 20% above of closing rate of day prior to pay in/Payout Day. The securities delivered short are purchased from market on T+2 day and the purchase consideration (inclusive of all statutory taxes & levies) is debited to the short delivering seller client along with reversal entry of provisionally amount debited earlier.
- If securities cannot be purchased from market due to any force majeure condition, the short delivering seller is debited at the closing rate on T+2 day or Auction day on Exchange +10% where the delivery is matched partially or fully at the Exchange Clearing, the delivery and debits/credits shall be as per Exchange Debits and Credits.
- In cases of securities having corporate actions all cases of short delivery of cum transactions which cannot be auctioned on cum basis or where the cum basis auctioned on cum basis or where the cum basis auction payout is after the book closure/record date, would be compulsory closed out at higher of 10% above the official closing price from first trading day of the settlement till the auction day.

Conditions under which a client may not be allowed to take further position or the broker may close the existing position of a client

We have margin based RMS system. Client may take exposure up to the amount of margin available with us. Client may not be allowed to take position in case of non-availability/shortage of margin as per our RMS policy of the company. The existing position of the client is also liable to square off/close out without giving notice due to shortage or margin/non making of payment for their paying obligation/outstanding debts.

7. Temporarily suspending or closing a client's account at the client's request:

On the request of the client in writing, the client account can be suspended temporarily and same can be activated on the written request of the client only. During the period client account is suspended, the market transaction in the client account will be prohibited. However client shares/ledger balance settlement can take place.
